COMCAST RISE | COMCAST BUSINESS

Help Support Small Businesses RISE!

LOCAL BUYER'S GUIDE

The local businesses featured in this guide were selected as Comcast RISE awardees following their application to the program. Current business status or receipt of award has not been verified. Updates will be made regularly as additional recipients are named.

Creative Motion

Thank you for taking the time peruse our Comcast RISE Local Buyer's Guide and support our local businesses here in the Freedom Region. We all know small businesses have been dealing with the ongoing impact of the pandemic, social unrest, and environmental events for well over a year now, and small businesses owned by people of color have been some of the hardest hit. According to the National Bureau of Economic Research, between February and April 2020, the number of active Black-owned businesses declined by 41%, Latinx-owned businesses declined by 32%, and Asian-owned businesses dropped by 25%, versus just 21% for the general population. That is why it is so important to support these local businesses, and the first step in doing so is learning where they are in our region.

That is why Comcast RISE was launched and the Comcast RISE Local Buyer's Guide was created. While we have invested many of our Comcast resources in the success of these critical businesses by providing valuable and practical support, we can still do more. As individuals, all it takes to support any one of these businesses is simply become a patron. While it may not seem like much, completing daily tasks like shopping, eating, drinking or acquiring services at one of these businesses can make a huge difference. We are all in this together, and showing our RISE businesses this solidarity is the best way to both unite and heal our community.

Once again, I thank you for supporting the Comcast RISE program and all the businesses that are a part of it, and I know that together, we can help these businesses survive and thrive in the marketplace for years to come.

Regards,

Mike Louden

Regional Vice President, Comcast Business

> “I am so happy that the RISE program came about, and I was selected for the technology makeover. The support from Comcast RISE and the technology we received has been great for my business. My business is relatively new and I would have never been able to afford the iPads and desktop computer that Comcast provided. I’m truly appreciative of this support, especially as a small business owner confronted with rough times and the need to shut down for several months at the start of COVID…I’m hoping that in the future we’ll continue to be able to use technology to bring in more students and deliver the fast speeds and seamless connection that our students desire.”

> “During the pandemic, we really had to stretch ourselves to stay in business, and so the services provided from the Comcast RISE award have been incredible. At Hairs 2 U, we’re not just giving people wigs, but also giving them back some of their dignity, and Comcast RISE is helping me be successful. Now my volunteers each have a computer to work off of and there isn’t any interruption in internet service when we’re trying to help someone check-out or make a donation online. I’m even getting ready to hire my first full-time employee, in part because I have the tech resources to do so.”

> “We are so grateful for the RISE Program. The process was straightforward, and it allowed us to expedite our tech makeover much faster than anticipated. Whether making an investment or conducting necessary trainings, it can be a challenge to stay on top of technology. Having the right equipment allows us to grow our business so we can help others grow theirs. The RISE program isn’t just about our business, but our family and our community.”
